

EASTBOURNE District Mini Club held its fourth annual charity pilgrimage at the weekend and members reached their fundraising target of £1,000. More than 20 Mini drivers took part in the run from Beachy Head to Dane John Garden in Canterbury. The Mini enthusiasts had a stop for lunch at the Kent and East Sussex Steam Railway in Tenterden. This is one of many fundraising events the club have taken part in this year. The money raised from these events will go to the Children with Cancer Fund.
